Onloaded: Abe Zucca

January 17 – February 16, 2014

Abe Zucca has been working in the Phoenix Downtown art scene for more than five years with solo exhibitions at various Downtown venues. I first noticed his work in 2013 and was immediately captivated by his liberated drawing technique and the often auto-biographical images he produces. Abe says about his inspiration for making art: “the irrelevant details about me supply emotions which, because of their irrelevance, inhibit the main effect. I am just a process of sensibilities and through my art you read yourself.” His website is: <http://abe-z.com>
